CSCI 2911 Fall 2025 Post-Course Experience Survey Computer / Programming Experience

Most of the questions below ask about your previous experience. It is ok to answer "No experience at all". The instructor would give this answer for some of these questions, and you can succeed in this course without having seen any of these topics. We just ask broadly in order to capture all possible kinds of prior experience.

Time Requirement:

under 10 minutes

Purpose:

We use this pre-course experience survey for the purpose of customizing content, aiding in engagement and motivation, managing class time efficiently, implementing differentiation strategies, and building on prior knowledge

Rate your computer/programming experience:

It is ok to answer, "Not Experienced At All." You can succeed in this course without prior experience.
